## **Suggested Packing List**

### **KITCHEN:**

Our kitchen is stocked with coffee maker, microwave, refrigerator, oven, pots, pans, cooking and serving ware and a dishwasher to clean them all! But since you'll be on vacation, you may want to bring along some paper products to make your casual dining as care-free as possible. Note that several supermarkets and specialty shops are located within a four-mile radius of the home, and many renters find it more convenient to purchase their food supplies here in the Outer Banks rather than bring from home.
